What is BookCrossing?

BookCrossing is the act of giving a book a unique identity so, as the book is passed from reader to reader, it can be tracked and thus **connect its readers**.

There are currently...

1,701,735 BookCrossers and

11,783,412 books travelling throughout **132 countries**.

How do I BookCross?

Step 1. Register

Register the book using its BCID (inside the cover)

Step 2. Read

Enjoy your new find

Step 3. Share

Now it's time to pass it on, you can

- Give it away
- Release it into the wild
- Get creative

Step 4. Follow its journey

See where your book goes and who reads it.
